KLove provides positive, encouraging music and is an inspiration to me as I commute to work. Many others I know listen to this staion in my community, and are inspired, finding a purpose in life when often there seems to be no purpose. There would be a huge void in many of those in my communty, including myself, if KLOVE was no longer available. I do believe this station does privide a tremedous sevice to our local area, as many are encouraged by KLOVE. Please do not allow this station to be displaced by another station! Klove is too important to too many people. Thank you for your consideration.
